

## SeaLion SOLAS 275N Offshore

Reference# 82946-05900STD

### SeaLion Solas 275N Offshore

Our collection of SeaLion Solas lifejackets is designed for users with high demands on function and comfort. These lifejackets can be used in combination with our survival suits and are available with either 150N or 275N buoyancy and certified in accordance with SOLAS' LSA Code. The 275N Offshore version is equipped with a spray hood. SeaLion lifejackets are designed to inflate automatically when they come in contact with water and to automatically turn the body around so that the wearer is always face up even if unconscious.

#### Facts

- Lightweight and comfortable, construction with focus on comfort
- Contoured around head and neck + soft neoprene in neck
- Mesh yoke in back for snug fit and optimal distribution of load
- Rough, durable cover fabric in black nylon
- Easy operated front buckle in plastic
- Adjustment of waist webbing in the side
- UML inflators - water activated (automatic)
- Retro reflective tape (SOLAS)
- Whistle, lifting loop, emergency light, buddy line and crotch strap
- Double buoyancy bladder in high-vis material
- Asymmetric buoyancy bladder prevents waves from washing over the face and ensures the self-righting performance
- Sprayhood - for safe breathing in rough sea and protects eyes from seabirds
